 **STANDARD MINISTRIES**

Go through, go through the gates. Clear the way for the people; build up, build up the highway.  
Remove the stones, lift up a standard over the peoples. Isaiah 62:10

Our spiritual creed is *Freed from ALL things* – from Acts 13:39,  
“... and through Him [Jesus Christ], everyone  
who believes is freed from ALL things!”

**S**tandard Ministries’ primary purpose is to teach absolute Truth in the Word of God, and the application of these Truths by learning to put them deep into the heart, and then to guard them protectively. The only way to believe Scripture in this way is to have the most personal of relationships with Jesus Christ, the One who died to restore us to the Father.

With the goals of helping people become spiritually free and healed of emotional wounds, Standard Ministries employs a variety of means to accomplish these goals.

Standard Ministries offers :

- **one-on-one ministry in a private office setting through our personal God’s E.R. ministry,**
- **classes, seminars and trainings on the spirit realm and the believer’s authority,**
- **on-site teaching and training for churches, ministries and schools.**

The Standard Ministries’ God’s E.R. team of trained ministers are not counselors, but facilitators of the Word of God. The ministry team offers participants instruction in the Word and its application to their lives.

Our ministers teach participants how to remove ungodly spiritual intrusion and interference, as well as how to build proper thinking habits and positive behavioral patterns.

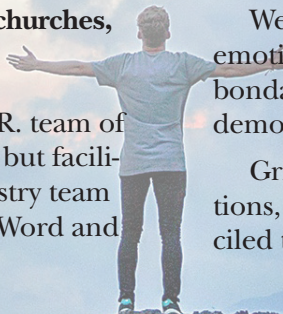

Additional ministry for breaking ties to secret societies, removing idols, curses, and other bondages that are not in line with the Word of God, are also available.

At God’s E.R., participants will find trained leaders to assist them through a protocol of checks and balances, helping to pinpoint areas of unforgiveness, woundedness, traumas, and life circumstances that may be preventing them from being completely whole as the Word of God declares us to be (Heb 10:22).

Open to everyone, the program provides a safe, confidential environment which allows the participant to receive assistance to bring hurting areas before the Lord in a private setting.

Weekly, participants testify of physical and emotional healings, freedom from emotional bondage and depression, and deliverance from demonic oppression.

Grief, childhood trauma, rape, incest, addictions, and generational witchcraft are all reconciled through God’s E.R.

## Director

**Sandra Williamson,**  
founder of **Standard Ministries, Inc.** and the ministry,  
**God’s E.R. – Emergency Restoration,** established both

with the goal of bringing restoration and healing to others. Sandra’s life is a demonstration of complete healing, having emerged from issues that could be attributed to Autism Spectrum disorders and layers of emotional wounds. When she was born-again, she dedicated her life to serving Jesus, yet she found that some things from her ‘old life’ would not go away. In her search to be entirely free, Sandra attended several universities, immersed herself in the scriptures, and studied approaches of seasoned Christian ministers.

Her studies gave Sandra an understanding of the workings of the soul, yet she knew that the key to complete freedom had to include ministry to every part - body, soul, and spirit. She was directed by the Lord to start what is known as **God’s E.R.**, a ministry of freedom and deliverance for the whole person, and for the whole body of Christ. The Lord has given Sandra a specific ministry protocol, which is a compilation of research, teachings and writings that, when facilitated in the E.R. format, brings release, forgiveness, and freedom to the participants...even physical problems have been healed!

Sandra’s career has always been with the goal of helping others. Sandra’s resume includes Director of Women’s Crisis Centers, Founder/Director of a 24 hour emergency hot-line, street ministry in San Francisco, Foster Family for ex-drug addicts and street people, and numerous volunteer positions within her church.

Sandra’s degrees include a B.S. in Psychology from Oklahoma State University, and a Masters in Human Relations from the University of Oklahoma. She is a living testimony of Acts 13:39.

“...he who the Son sets free, is free indeed.” John 8:36
